Matey attached to the Inspection Bungalow, Kamalapur. Hospet

In the Standing sanction accorded in G.O.No.1766 W. dated 2/-11-1912. the rate of pay of the matey at the nspection Bungalow, Kamalapuram, Bellary District was fixed at Rs.12. per mensem and in Memo No.7667-C dated 6-11-1920, it was laid down that the grant of war allowance sanctioned in G.O.No.700 Finl. dated 2-8-1920 should be extended to members of the "works" establishment; the rate of pay admissible to the matey is thus Rs.12. The matey has been petitioning during the last two years for raising his rate of pay to Rs.20. and the Executive Engineer also reports that the scale is inadequate under present conditions and no man could be obtained for less than Rs.20 per mensem.

I request therefore that sanction of Government be obtained for the grant of the higher rate of pay from 1-/-1922.

There is a maty and a swpeper at the Kamalapuram Inspection Bungalow and the circumstances under which the above establishment came to be entertained are detailed below:--

A maty on Rs.12, was first sanctioned in G.O.No.1300-W. dated 16-6-1906, in lieu of a watchman on Rs.5. In his No. 6212 dated 12-12-1906 the then Superintending Engineer (Mr.Handcock) recommended the sanction of a sweeper on Rs.4. This was returned with remarks in Chief Engineer's endorsement No:129 C dated 7-1-1907. This was replied to in this office No.6089 dated 15-6-1907 in which the Superintending Engineer (Mr.Allen) held the view that what was wanted for the Bungalow was a watchman to assist the Maty and not a sweeper. A watchman on Rs.5. also was accordingly sanctioned in G.O.No.797-W, dated 20-7-1907. In G.O.No. 1410 W. dated 28-12-1908 sanctioning the continued employment of works establishment for 1908--09, the term "Sweeper" on Rs.6. has been substituted for "watchman" on Rs.5, and it is not clear from my office record why this alteration was made. The above sanction was renewed in G.O.No.962-W., dated 14-9-1909 for 1909--10, in G.O.No.626-W., dated 14-8-1910, for 1910--11, in G.O.No.1228-W, dated 4-10-1911 for

1911--12 and in G.O.No.723 W dated 22-5-1912 for 1912--13. In G.O.No.1706-W, dated 27-11-12, a standing sanction was also accorded for the two items referred to above. 'W'

Subsequent to 1912--13, sanction to the establishment was renewed by the Superintending Engineer from year to year on the same rate of pay until the year 1919--20. For this year the men were granted a war ax allowance of Rs.5, and Rs.4, respectively. The above rates were repeated for -- 1920--21 and 1921--22. For the current year, the Executive Engineer recommended the increase of the sweeper's pay to Rs.12, as all watchmen in the Division doing anologous duties are paid similarly. The watchmen looking after the neighbouring Hampi Ruins are being paid Rs.11, and I sanctioned this rates for the sweeper also who is in fact the watchman of the Bungalow.

2. The maty cooks food, attends on visitors, gets supplies and generally attends to the comfort of visitors, is also in charge of crockery provided at the Bungalow. The sweeper (who is also the watchman, wards looks after the -- clears furniture Sweeps the bungalow Bungalow and Waters plants.

Sir,

Ref. your No. 3593 ad-1 dated 12.12.1922

There is a Malty and a Sweeper at the Kamal Sr. Inspection Bungalow and the circumstances under which the above establishment came into entertained are detailed below.

A watcher on Rs 12 per mensem was first sanctioned in G.C. No. 1300 W. dated 16th June 1906 in lieu of a watcher on Rs 5/- Ja. his No. 0212 dated 12th December 1906. The then Supdg. Engineer (Mr. Hamilton) recommended the sanction of a sweeper on Rs 4/- This was returned with remarks by Chief Engineer, Endt No. 129C dated 7th January 1907. This was replied to in this office No. 3089 dated 15th June 1907 in which the Supdg. Engineer - Mr. Miller - held the view that what was wanted for the bungalow was a watchman to sweep the Malty and not a sweeper. A watchman on Rs 5/- was accordingly sanctioned in G.O. Vide G.O.No.1766 W dated 27-12-12 a Clandestine Servant was also accorded for the two items referred to above.

Subsequent to 1912-13, sanction to the establishment was renewed by the Subdy. Engineer from year to year. The same rate of pay ruled the year 1919-20. For this year the [illegible] was increased to the extent of Rs 5 & Rs 4 respectively. The above rates were rejected for 1920-21, and 1921-22. For the current year the Executive Engineer recommended the increase of the Sweeper's pay to Rs 12 as all artizans in the Division during a village in the area are paid similarly. SUBJECT. Maty - Inspection Bungalow, Kamalapuram
Bellary Dt. - Increase of pay -

From The SE III Circle No 8584 dy. 4.12.22.

Register No. 3543 AD

Submitted.

The reasons advanced in support of the proposed increase are that the maty has been petitioning during the last two years for raising his rate to Rs 20 & that the EE. Bellary Dn., ~~reports~~ the present scale (Rs 12 to 16) is inadequate under the present conditions & that no man could be obtained for anything less than Rs 20 p.m. for one. Whether the increase asked for may be sanctioned the proposal requires the acceptance of the Govt. From the statement printed with Govt. Memo 1766 WDJ 29.11.22, it will be seen that there is only one case of this kind in the whole III Circle. As regards the date from which the increase should have effect the SE. recommends that it may be sanctioned from 1.9.22. It is not clear why this date has been proposed. Perhaps the question of increase, if sanctioned may take effect from the date of the orders.
